FAMILY

Use these questions to guide conversations with your Viking

What do you need to do this summer to be prepared for a successful start to life at Berry?

Now that SOAR is over, what are you most excited about when you think of your next steps? What concerns do you have?

When you think of all of the life skills you need for college, what else might you need help with this summer to make you feel more confident? (Think laundry, routines for self-care like obtaining prescriptions, making medical appointments, budgeting, car care, etc.)

How do you imagine life will be different at Berry than life at home? What habits might need to change? (Think locking bedroom door, keeping up with ID card, etc.)

We hope you have a wonderful summer. Please feel free to email DEANOFSTUDENTS@BERRY.EDU with any questions you may have between SOAR and Viking Venture.
